## MMI Facial Expression Database

(<http://www.mmifacedb.com>)

By signing this document the user, he or she who will make use of the database or the database interface, agrees to the following terms.

With database, we denote both the actual data as well as the interface to the database.

### 1. Commercial use

The user may not use the database for any non-academic purpose. Non-academic purposes include, but are not limited to:

- proving the efficiency of commercial systems
- training or testing of commercial systems
- using screenshots of subjects from the dataset in advertisements
- selling data from the dataset
- creating military applications
- developing governmental systems used in public spaces

### 2. Responsibility

This document must be signed by a person with a permanent position at an academic institute (the signee). Up to five other researchers affiliated with the same institute for whom the signee is responsible may be named at the end of this document which will allow them to work with this dataset.

### 3. Distribution

The user may not distribute the database or portions thereof in any way, with the exception of using small portions of data for the exclusive purpose of clarifying academic publications or presentations. **Only data from subjects who gave consent to have their data used in publications and presentations may be used for this purpose.** Note that publications will have to comply with the terms stated in article 5.

### 4. Access

The user may only use the database after this End User License Agreement (EULA) has been signed and returned to the iBUG Group at Imperial College London. The signed EULA should be returned in digital format by uploading it to the website when requesting account at:

<http://www.mmifacedb.com/accounts/register/>

Only if the user is not capable of requesting an account in this manner, accounts may be requested by sending the signed EULA via traditional mail to:

Prof. Maja Pantic  
Imperial College London  
Department of Computing  
180 Queen's Gate  
London SW7 2A U.K.

The user may not grant anyone access to the database by giving out their user name and password.

### 5. Publications

Publications include not only papers, but also presentations for conferences or educational purposes.

**The user may only use data of subjects in publications if that particular subject has explicitly granted permission for this. This is specified with every database element.**

All documents and papers that report on research that use any of the MMI Facial Expression Database will acknowledge this as follows:

“(Portions of) the research in this paper uses the MMI-Facial Expression Database collected by Valstar and Pantic”

And include a citation to:

M.F. Valstar, M. Pantic, “*Induced Disgust, Happiness and Surprise: an Addition to the MMI Facial Expression Database*”, Proceedings of the International Language Resources and Evaluation Conference, Malta, May 2010

In addition, any user that uses Part I of the database in their report shall also cite the following paper:

M. Pantic, M.F. Valstar, R. Rademaker and L. Maat, “*Web-based database for facial expression analysis*”, Proc. IEEE Int'l Conf. on Multimedia and Expo (ICME'05), Amsterdam, The Netherlands, July 2005

A description of the different parts is given in the first paper (Valstar & Pantic 2010).

The user will send a copy of any document or papers that reports on research that uses the MMI Facial Expression Database to Dr. Maja Pantic or to <mmi\_face\_db@mahnob-db.eu>.

## **6. Academic research**

The user may only use the database for academic research.

## **7. Warranty**

The database comes without any warranty. The iBUG Group at Imperial College London can not be held accountable for any damage (physical, financial or otherwise) caused by the use of the database. The iBUG Group at Imperial College London will try to prevent any damage by keeping the database virus free.

## **8. Misuse**

If at any point, the administrators of MMI Facial Expression database and/or iBUG Group at Imperial College have a reasonable doubt that the user does not act in accordance to this EULA, he/she will be notified of this and will immediately be declined the access to the database.
